IRAM ART, BIKANER HOUSE, PANDARA ROAD, NEW DELHI, DELHI, INDIA

Iram Art presents Riyāz, a group show featuring a range of multidisciplinary artists under one roof at Bikaner House, curated by Ina Puri. 'Riyāz' is an expansive, ambitious project that aims to create a tapestry across time and space, an initiative that aims to bring together the art practice of some of the most powerful voices of the country spanning generations and regions. Segregated into separate sections, the idea is to showcase artists who work in different mediums to create a narrative that is inclusive and open. The diversive artworks on display create an experience that is immersive, engaging and eclectic.

Iram, actually translates to the Garden of Heaven, an apt name to describe a space dedicated to showing art. Guided by their commitment to showcasing art that is original and unique, Iram Art offers an all-encompassing experience for art lovers.
